Introduction

This guide is intended to provide general information related to Torrance Craftsmen's Guild structure, membership, policies and faire participation.

The Torrance Craftsmen's Guild (TCG) was founded in 1970 by a small group of artisans who came together through their joy and enthusiasm for the origination and creation of handmade crafts. As the interest and membership grew, the Guild was formed as a non-profit organization under an official charter by the City of Torrance.

The original purpose of the Guild was to promote the interest of arts and crafts in the local community. This purpose still holds true today, and has been expanded to provide scholarships to eligible Torrance High School seniors who have embraced the world of Arts and Crafts.

The primary source of funds used for scholarships are fees for annual membership and faires.

The Guild operates within the scope of published By-Laws.

 - City of Torrance Business License: The City of Torrance does not require Guild Members to have a Business License for City Sponsored events, such as our Spring and Fall Faires and the Cherry Blossom Festival. If you live in the City of Torrance, and you do other fairs/boutiques, you will need to obtain a Torrance Business License.
